DEEPHAVEN RESIDENT - LICENSE PLATE NUMBER(S)

You must have the correct license plate number for each vehicle for which you are obtaining a permit.

Example, for TWO additional permits, you must provide THREE license plate numbers since this includes the license plate # for the car on which you placed the first permit that was mailed to you.

Registration checks will be made on all applications for additional permits, and persons whose vehicles are not registered to them will be required to provide proof of ownership.

DEEPHAVEN RENTER

Parking permits are mailed to property owners only, with no attempt to reach tenants.

If you have a tenant, they must apply for a permit at City Hall with **two forms of ID showing that they reside in Deephaven.**

IT IS ILLEGAL TO SELL, ASSIGN OR OTHERWISE TRANSFER A PERMIT. (Ord. #450).

Vehicles parked in permit zones are randomly checked by the police to ensure that the registration of the vehicle license number matches with the parking permit number on the car. If the permit is displayed on a vehicle which is registered to someone other than to whom the permit was issued, the vehicle is subject to a TAG AND TOW.
