

Deephaven Mooring Space - General Information

Type of Space	Length allowed	Width allowed	Accepted Watercraft	Total spaces in each Bay	Total # of spaces	Annual Fee
DOCKS - TEN YEAR TERM LIMIT	At least 16' up to 26' <u>including all equipment and attachments</u>	Up to 8'6" in width. (Exception: Docks #130 and #140 in Carson's Bay are only 8 feet wide)	Motorboats only. Sailboats, canoes and watercraft without motors are <u>not</u> permitted at city docks. Boat Length of a watercraft at a dock slip means the horizontal measurement from the foremost to the aftermost points of the watercraft, including all equipment and attachments in their normal operating positions, shall not exceed twenty-six (26) feet and must be in compliance with all Lake Minnetonka Conservation District regulations pertaining to boat length as it pertains to Deephaven's municipal dock licenses. Exceptions —St Louis Bay Docks #'s : 25, 27, 29, 31, 33, 35, 37, 39, 41 43 and 45, and Carson's Bay Dock #'s: 131, 132, 133, 134, 135, 136, 137, 138, 139 and 140, the LMCD requires that boats placed in these docks are NOT longer than 24' Maximum length including all attachments and equipment in their normal operating positions. Docks #130 & #140 Carsons Bay are only 8 feet wide.	CB - 40 SB - 55 (95th dock is for city use only)	94	\$875.00
BUOYS - TEN YEAR TERM LIMIT	16' to 25'	N / A	Sailboats and Powerboats. Sailboats must have their mast erected the entire boating season or will be considered non-operational which is not allowed per city code.	CB - 25 SB - 28	53	\$450.00
SHORESPACE (Located only in St. Louis Bay, just South of the Main Swim Beach)	16' to 34'	No wider than width of your assigned shorespace	Build and maintain own dock. Take in and out yourself. Cost varies depending on size of space, Boats at least 16' and not more than 34' long. No wider than the width of the shorespace. No dock on a shorespace may exceed 40 feet in length. Only 15 shorespaces are rented. #'s 16 through 18 are for city use.	St. Louis Bay only - has 18.	15	64.00 per foot
CANOE RACKS	Must be appropriate to canoe rack & not overlap into neighbors space.		Only for canoes & small boats such as rowing shells, sailboards used for windsurfing & the "sunfish" or "laser" boats and kayaks, so long as the watercraft does not exceed the width of the rack and does not interfere with the use of the rack for other permitted watercraft. 2 Kayaks are allowed IF they fit on rack without overlapping into neighbors space.	SB - 24 CB - 8	32	\$100.00
B2 SLIDES	16 feet long from stem to stern (does not include motor)	Up to 5'4" width. If a boat is over 5'4" in width on a B2 slide it must have a wide boat permit with approval from city hall. Wide boat permits are not guaranteed in any space or for more than one boating season.	Must be able to pull boat up on shore. Fishing boats & Small Motorboats ONLY. B2 Slides along the shoreline are 16' wide, 3 boats share each pallet. Boats on the slides cannot exceed 5 feet, 4 inches in width WITHOUT an annually approved wide boat permit from the city. No motors other than outboard motors. No boat may be kept at a slide unless it is a size and weight that permits the owner to pull the boat from the water manually. Jet skis / personal watercraft ARE allowed. Canoes, Kayaks, Rowing Shells and other boats of similar design shall NOT be permitted on a slide—UNLESS they had been grandfathered in and provide annual Doctors letter stating they have medical reasons making it too difficult for them to carry and lift their canoe onto a canoe rack.	SB - 42, CB - 37	79	\$200.00
B1 SLIDES	Up to 17' 6" in length	5'4" up to 7 feet wide (minimum width is 5'4", boats under 5'4" wide are not allowed on B1 slides.)	B1 slides are intended solely for boats in excess of 5'4" wide. If the boat you place on your B1 slide is not wider that 5'4" you are NOT ELIGIBLE for a B1 slide. You must be able to manually pull your boat onto the slide or install an approved winch system. B1 Slide pallets along the shoreline are 16' wide, 2 boats share each pallet.	SB - 20	20	\$300.00
STREET END SLIDES	16 feet long from stem to stern (does not include motor)	Up to 5'4" width (same as b2 slides listed above)	Same restrictions for B2 slides apply to street end slides. (Locations - Bay Street (3), Water Street (3), Western Road (2))	CB - 8	8	\$200.00
TOTAL NUMBER OF MOORING SPACES					301
