Minutes

Call Meeting to Order

The meeting was called to order at 1:30 p.m.

Members Present

Paul Skrede, Public Works Foreman John Menzel, Police Chief Cory Johnson, Teresa Pendleton and City Administrator Dana Young

Signage Requests

Discussion was held regarding the occasional request for street signage.

Dana Young stated that he received a request for Children at Play sign from Lauren Jandro at 3710 Hamilton Avenue.

Paul Skrede recommended reviewing more appropriate language for a sign at that location.

Thorpe Park Area Signage

The Committee reviewed a site plan showing existing signage surrounding Thorpe Park.

The Committee recommended relocating all the existing No Parking signs from the south side of Rutledge Avenue to the north side of Rutledge Avenue thereby requiring park patrons to park along the park property rather than on the residential side of the street.

In addition, the Committee recommended removing the two existing No Parking signs on the east side of Hamilton Avenue with the intent to allow parking along the park property.

Thorpe Pond Treatments

Paul Skrede mentioned that the two primary requests he hears in regards to Thorpe Park is the installation of sewer and water utilities for a restroom.

Further discussion was held regarding the treatment of the Thorpe Park pond to remove the green duckweed. Dana Young stated that the City Council has authorized \$1,500 to be included in the 2017 General Fund budget for pond treatment next year.

Due to the fact that pond treatment was not included in this year's budget and the lateness of the season, the Committee decided to hold off on the treatment of Thorpe Pond for this year.

Other

Discussion was held regarding 4th of July activities and parking on Cottonwood Lane. Chief Johnson stated that it was pretty quiet in Deephaven on July 4th and he would look into the complaints regarding excessive parking along Cottonwood Lane.

The Public Safety Committee meeting adjourned on a motion by Dana Young. Seconded by Teresa Pendleton. Motion carried 5-0.
