Are you interested in serving on the Minnetonka Community Education Advisory Council? If so, please contact MCE Director Tim Litfin at Timothy.Litfin@minnetonkaschools.org. The following is a brief description on the role of an Advisory Council Member.

The Role of an Advisory Council Member

- Represent the views and needs of one's constituency to the Advisory Council and the Executive Director
- Suggest creative ways to utilize community resources
- Be aware of and communicate community concerns and challenges
- Become interested and involved in Community Education issues
- Attend workshops, seminars, conferences to enhance one's awareness in Community Education
- Become involved in needs assessment and program evaluation
- Advocate for Minnetonka Public Schools, and the Community Education concept to neighbors, friends and community members
- Assist the professional staff in planning programs and services
- Review the budget prior to its presentation to the School Board
- Serve as a forum for discussion of community opportunities and challenges
- Encourage cooperation with community agencies to prevent duplication
- Form a communication link between the School District and the community

The Minnetonka Community Education Advisory Council meets five times per year. Most typically on Mondays from 5:30-6:45 pm.
